Professional Summary

Full Stack Web Developer skilled in the MERN stack (React.js, Node.js, Express.js, MongoDB) with hands-on experience building role-based, full-stack web applications integrating authentication, real-time features, and AI-assisted modules. Strong foundation in Data Structures & Algorithms, REST API design, and version control, backed by multiple industry-recognized virtual internships in full-stack development, AI/ML, and cybersecurity.

Technical Skills

- **Programming Languages:** C, C++, Java, Python, JavaScript, SQL
- **Frontend:** React.js, HTML5, CSS3, Responsive Web Design, UI/UX Design
- **Backend:** Node.js, Express.js, REST APIs
- **Database:** MongoDB, SQL
- **Full Stack:** MERN Stack Development
- **Core Concepts:** Data Structures & Algorithms (DSA), Git & GitHub, Object-Oriented Programming

Projects

Major Project: FindLink – Missing Person Detection & Reunification *React.js, Node.js, Python*

- Built a full-stack MERN web application enabling families, citizens, police, and administrators to report and manage missing and found person cases through role-based access control.
- Implemented AI-assisted face matching using Python and OpenCV to help identify potential matches between missing and found person records.
- Developed location-based search features and an authentication and notification system to keep users updated on case status in real time.

Project: InterViX-AI – AI-Powered Interview Platform *React.js, MongoDB*

- Designed and developed an AI-powered web platform to conduct interactive mock interviews and evaluate candidate performance.
- Built interactive, AI-assisted interview functionality integrated with a MERN stack backend for candidate data management.

Mini Project: CINEMAX – Movie Web Application *HTML, CSS, JavaScript*

- Built a responsive movie browsing web application with an interactive, user-friendly interface for exploring movie listings.

Education

Bachelor of Technology (B.Tech) – Artificial Intelligence & Data Science *Expected 2028*

P. R. Pote Patil College of Engineering & Management, Amravati *CGPA: 8.7/10*

HSC (12th) – Maharashtra State Board *72%*

SSC (10th) – Maharashtra State Board *80%*

Courses & Certifications

- Python Full Stack Developer Virtual Internship – EduSkills
- AI/ML Virtual Internship – EduSkills
- Generative AI – EduSkills
- Zscaler Virtual Internship – EduSkills
- Web Exploit Hunting & Bug Bounty – EduSkills
- Soft Skills – NPTEL
- Python 3.4.3 Training – Spoken Tutorial, IIT Bombay
- AI for Beginners – HP LIFE
- Getting Started with AI – IBM SkillsBuild
